

American Standard Fiberglass Cable Tray Manufacturer

Overview

Atkore's US Tray was established in 2012, as an American manufacturer of made-to-order cable trays that are built per NEMA standards and certified by UL. We offer modern, innovative, and technically advanced cable trays, tray covers and wire management accessories, support, and logistics management. The United States is a diverse landscape of top manufacturers spanning various sectors. These companies lead in innovation, technology, and global competitiveness, employing advanced techniques and contributing significantly to the national economy. Suitable for supporting insulated electrical cables. This guide provides an unbiased look at the industry leaders, highlighting their specific patents, materials. Eaton's fiberglass cable tray is approved by the American Bureau of Shipping (ABS) Building and Classing Steel Vessels 4-8-4A1/9. 1, making it ideal for caustic, harsh and marine environments. Eaton's B-Line series Marine Rung allows stainless steel banding of cables for coast guard requirements.
