

Belgian Electric Cable Tray Factory Source

Overview

Trayco is a Belgian manufacturer of cable management systems, founded in 2012 and based in Kluisbergen. In just over a decade, we've grown into an established name in the industry, known not only for what we produce, but for how we support the people who install it. We also play an important role as advisor and guide during the installation process. For 40 years, we have been providing reels, garlands, multiple. At FLUXA, we supply a comprehensive range of professional electrical equipment, from high-quality cables to cable trays and associated accessories. We provide everything needed for safe and efficient cabling, suitable for various applications including industrial projects, commercial buildings, and. Niedax Belgium was founded in 2005 as a subsidiary company of the Niedax Group, with its head office located in Germany. Founded in 2010 from a physical ladder store.
