

Bhutan Low-Voltage Temporary Distribution Box Manufacturer

Summary of Content

For low-voltage temporary distribution boxes in Bhutan, local importers like Druk Trading Equipment (DTE) and international manufacturers such as ZCEBOX and Enecell are key sources.

Local Options in Bhutan

Druk Trading Equipment (DTE), based in Thimphu, Bhutan, is a licensed trading company that imports high-tech machinery and electrical equipment, including construction and industrial electrical solutions. While DTE primarily deals with construction machinery, they also facilitate the import of electrical distribution equipment, making them a practical local contact for sourcing low-voltage distribution boxes for temporary or industrial use .

International Manufacturers

- ZCEBOX
- Specializes in low-voltage electrical products including distribution boxes, junction boxes, MCBs, and consumer units.
- Offers OEM and ODM services, ISO9001 certified, and compliant with CE, ROHS, IK, and HF standards.
- Capable of producing large volumes at competitive prices, suitable for temporary or permanent installations .
