

British Dual-Core Optical Cable Manufacturer

Overview

Using Lucent OFS and Prysmian fibres, Tratos manufacture the complete range of Fibre Optical Cables used by BT (British Telecom), (NR) Network Rail and other National and International bodies. Tratos UK Ltd is one of the main cables manufacturer in the UK. Tratos UK Ltd is a United Kingdom cable manufacturer with its head. With dedicated research and development laboratories and fibre plants across the world, Prysmian is a world leading manufacturer of optical fibre, working at the cutting edge of speed and reliability. We provide the complete solution for digital communication. Our extensive manufacturing capabilities allow us to produce industrial cables ranging from basic common designs to more complex multi core cables with special performance characteristics. Not only have we manufactured cables here in Blackley, Manchester since 1895, but also we are evolving into one of the most proficient service providers in the industry.
