

Construction Site Distribution Box Manufacturer Prices

Summary of Content

Construction site distribution boxes are available from multiple manufacturers worldwide, with prices ranging from a few hundred to several thousand dollars depending on size, material, and features.

Key Manufacturers and Suppliers

- **BOSECKER:** Offers robust sheet steel and thermoplastic distribution boxes compliant with IEC 61439 and IEC 60364 standards. They provide pre-wired and customizable options suitable for three-phase and single-phase connections on construction sites .
- **Yueqing Beigang Industrial:** Produces plug-in type distribution boxes with built-in circuit breakers, suitable for indoor and outdoor use, with options for waterproofing, current/voltage displays, and various socket configurations .
- **Allbro (South Africa):** Supplies non-metallic enclosures for industrial, commercial, and residential applications, manufactured locally to international standards, including brands like York, Okari, and Enlec .
- **DistributionZone (UK):** Offers stainless steel mains distribution feeder pillars and site power enclosures with IP54 protection, hinged doors, padlock facilities, and pre-installed sockets. Pricing is typically provided via quotation or pro-forma invoice, reflecting customization and shipping .
- **Alibaba and Made-in-China platforms:** Provide access to numerous manufacturers and exporters offering a wide range of distribution boxes, allowing buyers to compare prices, specifications, and shipping options .
