

Dual power distribution box for sale Price

Summary of Content

Dual power distribution boxes are available from multiple online vendors, with prices ranging from around \$100 to several hundred dollars depending on capacity, features, and brand.

Online Options and Pricing

- Amazon offers construction-grade power distribution boxes with multiple outlet configurations and circuit breaker protection. Prices vary by model and features, typically starting around \$100-\$200 for portable units suitable for temporary power setups (Amazon.com) .
- eBay provides a wide selection of new and used power distribution boxes, often with free shipping. Prices are competitive and can range from \$80 to \$500, depending on amperage, number of outlets, and condition (eBay.com) .
- Full Compass Systems specializes in portable and breakout boxes for live events and AV setups. Units like the Blizzard Lighting Drop-PC™ or Lex Products PowerHOUSE™ 100 Amp boxes are available, but many require contacting the vendor for exact pricing. These boxes are designed for high-capacity, professional use and may cost several hundred dollars (Full Compass Systems) .
- Schneider Electric offers customizable electrical enclosures and distribution solutions. Prices are provided through their online configurator, allowing you to select features such as size, material, and amperage. This is ideal for industrial or commercial applications where custom specifications are required (Schneider Electric) .
