

EU Composite Cable Tray Companies

Overview

Top manufacturers of fiberglass-reinforced cable trays include ALOIS Composites, Oglaend System Group, Enduro Composites, CBRO Fiberglass, MP Husky, and Atkore, recognized for their corrosion resistance. CAN KANAL continues its business activities. Bürklin – High-Service Distribution of Electronic Components Since 1954, the family-owned company Bürklin. With over 60 years of expertise and innovation, the company has built a strong reputation in the field of cable and conduit management. The exceptional quality of our GRP products has been recognized worldwide, making us a preferred partner for numerous demanding industrial sectors. Cable trays are yet another part of our complete cable management system. Our company (founded in 2012) has quickly become an established player in the cable. These are cable management systems composed of trays, mounting support systems, direction changing parts, connection parts and fittings with the purpose of carrying and fixing cables safely in the electrical installations.
