

East African PDU Smart Meter Manufacturer

Overview

East Africa Meter Company Ltd is a Kenyan Incorporated company. We provide cutting-edge Smart Metering solutions that optimize power utility operations and enable consumers to make informed decisions about their energy usage. FNR Industries designs, manufactures and assembles smart energy meters, water meters and electrical distribution accessories for the utilities that power and supply East Africa. From the silicon to the seal — we own the full assembly line. We specialize in cutting-edge Advanced Metering Infrastructure (AMI). Nairobi, Kenya - August 9, 2024 - CHINT Global, a leading global provider of smart energy solutions, proudly announces the grand opening of its cutting-edge smart meter manufacturing factory at Graylands Industrial Park, Athi River, Machakos, Kenya. This new facility represents a significant. Founded in 2017 as part of the Africarriers Group, FNR Industries has grown into the country's largest manufacturer of smart energy meters and the sole domestic manufacturer of smart and analogue water meters. Built to close the gap between imported hardware and East African reality.
