

Honduras s power distribution box

Overview

Honduras's power grid is extensively developed in all departments except the easternmost department, Gracias a Dios. Honduras has granted distribution concessions to 7 utilities nationwide, with the state-owned Empresa Nacional de Energía Eléctrica (ENEE) managing nearly 99% of the electricity.

Machineequipments is a Power Distribution Equipment Manufacturers in Honduras, Power Distribution Equipment Honduras, Power Distribution Equipment Suppliers Honduras and Exporters in Honduras for Power Distribution Equipment. You can contact us by email at sales@machineequipments.com for reliable. The Regulatory Commission for Electricity (CREE) regulates the electricity market in Honduras, including tariff setting and oversight of electricity generation and distribution. Solartia, in partnership with Ingeteam, developed hybrid mini-grids (solar-diesel) to serve remote communities in Brus. The General Electricity Industry Act 2014 aims to liberalise electricity generation and commercialisation by establishing a wholesale electricity market in Honduras.
