

# How much does vibrating optical cable cost in Pakistan

## Summary of Content

Vibration optical cables in Pakistan generally range from PKR 500 to PKR 5,000 per meter depending on type, brand, and specifications.

### Price Overview

In Pakistan, fiber optic and optical cables are widely available through online marketplaces and specialized suppliers. Prices vary based on core count, cable type, length, and brand:

- Daraz.pk offers a variety of fiber optic cables with competitive prices, typically starting around PKR 500 per meter for basic single-mode or multi-mode cables .
- MB Communication lists high-quality fiber optic cables suitable for commercial and industrial use, with prices ranging from PKR 1,000 to PKR 5,000 per meter depending on specifications and bandwidth capacity .
- Litech Pakistan supplies premium optical fiber cables to telecom operators and contractors, including PTCL, Zong, and Huawei projects. Prices are generally higher due to professional-grade quality and certifications .
- OLX Pakistan provides local classified listings where used or surplus optical cables can be found, often at lower prices, but availability and quality may vary .
- Pakistan Cables manufactures and sells optical and fiber cables domestically, offering reliable products with prices comparable to MB Communication and Litech for industrial-grade cables .
