

Huawei Anti-Bending Optical Cable Manufacturer

Overview

Jiangsu Huawei Optoelectronic Technology Co. is a high-tech enterprise specializing in the research and production of communication optical cable. Hengtong Group is an international enterprise with a diverse range of expertise covering optical fibre, power, marine and offshore cable, EPC turnkey service and maintenance, as well as IoT, big data and e-commerce, emerging materials and new energy. As the largest optical fibre and power cable. This document describes the specifications for preparing, routing, and bundling cables and attaching labels to these cables. was founded in 2013, headquartered in Hejian City, Hebei Province. ● As an enterprise in the field of communication optical cables, industrial cables and special cables in North China, the company has always taken “intelligently connecting the world and escorting. The Huawei SS-OP-MPO12-4*DLC-M-15B optical cable assembly is designed for high-performance multi-mode fiber connections. With MPO/PC to 4DLC/PC connectors, it ensures reliable data transmission, making it perfect for data centers, enterprise networks, and cloud environments.
