

Inverter cable tray box price

Summary of Content

Inverter cable tray boxes typically range from ₹1,500 to ₹10,000 in India, depending on size, material, and load capacity.

Price Overview

The cost of an inverter cable tray box varies based on material, dimensions, and design:

- Plastic or PVC trays: Lightweight, corrosion-resistant, suitable for small inverters; prices usually start around ₹1,500–₹3,000 for standard sizes.
- Metal trays (galvanized steel or stainless steel): Durable and suitable for heavy-duty or industrial setups; prices range from ₹4,000–₹10,000 depending on length and load capacity .
- Mesh or perforated trays: Offer better ventilation and flexibility for cable routing; prices are generally in the ₹3,000–₹7,000 range .

Factors Affecting Price

- Length and width: Longer or wider trays cost more due to additional material.
- Load capacity: Trays designed for heavy power cables are more expensive.
- Standards compliance: Products meeting DIN EN 61537 or equivalent international standards may have higher prices .
- Customization: Custom-made trays or boxes for specific inverter setups can increase costs.
