

Lebanese company selling fiber optic cables

Overview

Established in 1983, Tele-Projects has been the sole representative of multinational brands attaining the highest market share in Telecom supply of material in the Lebanese market. Founded to bring enterprise-grade fiber connectivity to Lebanon and the broader Middle East at prices that make sense. We source, test, and deliver optical transceivers and cables that your network can count on, day after day. OptiLink was built on a simple belief: world-class fiber infrastructure. Activities: Manufacturers of energy saving lamps, led lamps & street lighting. Wholesalers of electric lighting equipment & renewable energy systems. Branches: Office Hassania building, Ma. To the page. Fiber Works & Communications (FWC) S. has been participating in the Lebanese enterprise market for several years now, attaining an honorable reputation of FIBER OPTIC Expertise when it comes to high speed & wide area networks.
