

Manufacturers of Waterproof Cold Aisle Spiral Wound Tubes

Summary of Content

Key manufacturers of waterproof spiral wound tubes suitable for cold aisle applications include Corex, Acme Spiral, Electrolock, Schwaben Kunststoff, and Sonoco Products Company.

Corex Group

Corex produces a wide range of spiral wound cardboard tubes and cores with customizable diameters, wall thicknesses, and lengths. They offer special exterior treatments, including film-covered surfaces, which can enhance moisture resistance, making them suitable for environments requiring waterproofing .

Acme Spirally Wound Paper Products, Inc.

Acme specializes in paper tubes and cores for packaging, shipping, and industrial applications. They provide custom colors, end types, and finishes, which can be adapted for moisture protection in cold aisle or controlled environments .

Electrolock

Electrolock manufactures spiral wound tubes using advanced materials such as polyester, polyimide, aramids, and fiberglass. Their tubes can be custom-designed for electrical, thermal, mechanical, and chemical performance, including waterproofing and cold aisle applications. They also offer cut-to-length, sealed end caps, and special configurations .

Schwaben Kunststoff

High Pressure Spiral Pipe | Stainless Steel ...

A Complete Line of High Pressure Galvanized Pipe and Ductwork Spiral Manufacturing Company, Inc. is a major North American

Spiral Protection Tubes

Spiral-wound insulating tubes engineered for easy insertion, secure retention, compact profiles, tight dimensional tolerances, and

Spiral Pipe & Duct Manufacturers | HVAC Spiral Pipe Supplier | Spiral ...

Spiral Manufacturing – Your Premier Spiral Duct Suppliers Spiral Manufacturing Co., Inc. is a leader among spiral duct

Spiral or parallel wound tubes and cores | Packaging Lines | VPK UK ...

Spiral or parallel wound tubes and cores Spiral wound tubes are used in a wide variety of applications: film, foil, flexible packaging,

Spirally wound tubes and caps for electrical insulation

Applications of the insulating sleeves The spiral wound foils are generally used for the electrical insulation of wire

Manufacturer of both spiral and parallel wound tubes

Corex has a complete range of spiral wound cardboard tubes and cores for the most diverse applications. We produce the

Spiral Wound & Convolute Wound Tube Containers Manufacturers

Manufacturer of standard and custom shipping containers, specifically spiral and convolutewoundtubes. Specifications

Spiral wound tubes

We produce helically wound tubes as semi-finished product for the production of storage tanks or chemical appartous. Different wall

Spiral wound tubes

Our production is supervised by an internal quality assurance, as well as by an external monitoring performed by the TÜV. The

Spiral Tubing | Shrink and Non-Shrink | Electrolock

Electrolock offers spiral tubing for many applications. Our spiral wound tube solutions use polyester, polyimide, aramids, fiberglass &

Spiral Welded Pipe

Spiral-welded pipe is more flexible and customizable, making it possible to manufacture larger diameters and greater lengths with

FITCOTUBE® Polyester Spiral-Wound | GREMCO GmbH

Heat-shrink polyester spiral-wound tubing Our MYLAR®/NOMEX® epoxy hoses not only provide the optimum means to waterproof

Spiral Wound Tubes Suppliers

Custom manufacturer and distributor of spiralwoundtubes including round mailing tubes. Available in standard, heavy

Spiral Wound Tubes

Specializing in custom shapes and materials, Paramount Tube has seasoned engineers to customize a

Industrial Cardboard Tube Manufacturers and Suppliers

Find cardboard tube manufacturers and suppliers that can design, engineer, and manufacture all kinds of industrial cardboard tubes.

Spiral wound tubes and cores

Corex has a complete range of spiral wound cardboard tubes and cores for the most diverse applications.

Spiral Conveyor Belts | Intralox

Spiral conveyors are critical pieces of equipment for many industries, especially food processing and container manufacturing. The

Wells Spiral: UK manufacturer & distributor of spiral tubes

As the inventors of the "Well Void" tube, Wells Spiral Tubes is dedicated to continuous product innovation and customer satisfaction.

Spiral wound tubes and cores | Finishing and Converting | COREX

Corex has a complete range of spiral wound cardboard tubes and cores for the most diverse applications. We produce the

Welcome to Acme Spirally Wound Paper Products, Inc. manufacturer

Acme Spirally Wound Products manuf. of Paper Tubes & Cores for Packaging, Mailing, Shipping, Rewind, Displays, Containers,

Spiral Wound Tubes

Custom-made perforated metal Our components can be bespoke, custom-made, automated or handcrafted. Whatever your need for

Kartonagen

We have been producing parallel and spiral wound shipping tubes for a broad range of applications for over 50 years.

Technical information

The manufacturing of Alfa Laval's spiral heat exchangers incorporates an automated process for bending

Spirally Welded Pipes | Intra BV

Spirally Welded Pipes are Pipes where the weld runs across the Pipe as a spiral. A coil is rolled out and formed into a pipe-shaped

FITCOTUBE® Polyester Spiral-Wound | GREMCO GmbH

Thanks to the excellent bonding properties of MYLAR®/NOMEX® in combination with its very good

Get quotes from the Spiral Wound Tubes suppliers listed here

Spiral wound tubes are available to be customized to your precise industry needs and specifications. We ensure high quality

Spiral Welded Tube, Pipe & Fittings

Spiral Welded Tube & Pipe Systems Stainless and mild steel spiral welded tube, pipe & fittings.
