

National Standard 100Mbps PoE Switch

Overview

Feature highlights: National standard POE switch with 100Mbps speed, 48V intelligent power supply, and up to 24 ports. Who knows, my family! still using an old-fashioned switch?

this national standard 4+2 port 100m poe switch is simply the "hidden boss" in the security monitoring industry! Not only does it come with its own power supply, it can also power cameras and network devices at the same time, saving power. Q1: Are you a manufacturer?

A: Yes, we are a manufacturer with 17 years of experience, specializing in the production of POE switches and power adapters. Q2: What is your MOQ?

A: Two piece is available. Features 10-channel lightning protection, full half-duplex communication, VLAN, QoS, and SNMP support. Operates at -10°C to 55°C with a backplane bandwidth of 1.6Gbps and MAC. Zhen tian national standard smart 48v poe switch, 10-port 100mbps/1gbps gnt-p9210es/p1210es aluminum alloy: the "jack-of-all-trades" of the networking world! Zhen tian national standard smart 48v poe switch, 10-port 100mbps/1gbps gnt-p9210es/p1210es aluminum alloy: the "jack-of-all-trades" of the. With a ON/OFF switch on the switch for AI function, support watch dog and extend functions, extend the power supply up to 250m with stable and reliable transmission, allowing IPC, NVR, computer and other equipment. High-quality capacitors, inductors and other electronic components, integrated.
