

New Syrian Imported Pigtail Fiber Wholesale

Summary of Content

Syrian imported fiber optic pigtails are available for wholesale through verified suppliers and B2B marketplaces, offering single-mode and multimode options with various connector types.

Overview of Syrian Pigtail Fiber

Fiber optic pigtails are short lengths of fiber cable with one end terminated with a connector and the other end free for splicing. They are essential for network termination and splicing in telecom, data centers, and LAN environments. Syrian imported pigtails are available in single-mode (9/125 μ m) and multimode (50/125 μ m or 62.5/125 μ m) configurations, with standard connectors such as SC, LC, ST, and FC, and polish types including UPC and APC for low-loss, high-performance connections .

Wholesale Suppliers and Marketplaces

- Go4WorldBusiness lists Syrian pigtail channels for bulk buyers, offering options for trial orders and regular monthly supply. Quantities can reach 100 tons per month, with flexible packaging (25 kg/50 kg PP bags or bulk) and pricing options including FOB and CIF .
- Khandji Trading Co. is a prominent Syrian trading company with extensive experience in import/export. They act as intermediaries for manufacturers and buyers, facilitating international transactions and providing access to verified suppliers of fiber optic products .
