Portuguese-specific cable trays

Summary of Content

Portugal offers a wide range of cable trays for industrial, commercial, and residential applications, with local manufacturers providing durable, customizable, and weather-resistant solutions.

Manufacturers and Suppliers

Several Portuguese companies specialize in cable trays:

• GroupSumi offers a comprehensive catalogue of cable trays suitable for indoor and outdoor installations. Their products include weather-resistant outdoor trays, standard trays for electrical installations, and a full range of accessories such as supports, joints, connectors, and clips to ensure secure and organized wiring setups .

• Cable House has been operating since 1983 and provides a wide range of cable management products, including cable trays, hose clamps, cable ties, and industrial connectors. They offer customized solutions and are recognized for high durability and reliable performance .

• B2B Marketplaces like Europages and Trademo list multiple Portuguese cable tray manufacturers and suppliers, providing shipment data, trade volumes, and contact information for sourcing both domestically and internationally .

Product Features and Applications

Portuguese cable trays are designed to meet diverse installation needs:

• Material and Durability: Trays are made from sturdy metals or wire mesh, resistant to impact, deformation, and wear, suitable for heavy loads and long-term use .
