

Price of Ladder-type Cable Tray Base Plate

Summary of Content

Ladder-type cable tray base plates typically range from \$10 to \$50 per piece, depending on material, size, and finish.

Pricing Overview

The cost of a ladder-type cable tray base plate varies based on several factors:

- **Material:** Common materials include mild steel, pre-galvanized steel, and stainless steel. Hot-dip galvanized or powder-coated finishes generally increase the price due to corrosion resistance and durability .
- **Size and Thickness:** Larger or thicker base plates designed to support heavier cable loads are more expensive .
- **Supplier and Region:** Prices differ between manufacturers and distributors. Suppliers like Unik Cable Trays and Alibaba offer competitive pricing for bulk orders, while industrial suppliers like Grainger may charge more for single units with fast delivery .
- **Customization:** Some base plates are customized for specific ladder tray systems or installation requirements, which can affect cost .

Typical Price Range

- Standard mild steel base plates: \$10-\$20 per piece
- Pre-galvanized or powder-coated steel: \$20-\$35 per piece
