

Price of copper busbar trunking in the UAE

Overview

The copper busbars price in the UAE typically ranges from AED 150 to AED 250 per meter, depending on the size, type, and finish. For example, a 20mm x 10mm tin-plated bar may be priced around AED 151. These bus-bars are widely used in power distribution panels, electrical switchgear, control cabinets, transformer connections, battery banks, and renewable energy systems like solar and wind installations—where dependable current flow and heat dissipation are crucial.

Multiplast (a division of FJ Group) in partnership with the Powerduct, specializes in Busbar Trunking System and provides cutting-edge solution for efficient and reliable electrical power distribution in commercial, industrial, and large-scale facilities.
