

Price of single-core outdoor relay protection connector in Papua New Guinea

Summary of Content

Exact pricing for a single-core outdoor relay protection connector in Papua New Guinea is not publicly listed, but suppliers and import data suggest prices typically range from USD 50 to USD 200 depending on specifications and supplier.

Supplier Options

- **Local Distributors:** Companies like Powa Industries Limited in Port Moresby and Kokopo supply electrical connectors and relay protection equipment compliant with PNG Power and Australia/New Zealand standards, offering competitive pricing for wholesale and retail customers .
- **Online Marketplaces:** Platforms such as Desertcart PNG list protection relay products with free delivery across Papua New Guinea, though prices vary by model and voltage rating .
- **Import Data Insights:** Papua New Guinea imports electrical connectors from countries like India, Vietnam, and Fiji, with multiple shipments recorded annually. Import prices depend on shipment size, voltage rating, and supplier agreements .

Pricing Considerations

- **Voltage and Current Rating:** Outdoor relay connectors rated for higher voltage or current (e.g., 2.5 kV-4,300 A) are more expensive.
