Summary of Content

Some leading cable tray manufacturers in Australia include EzyStrut, Burndy CSS, Axelent, Brilltech, Ozstrut, Legrand, RS Australia, and Cableaway.

Key Manufacturers and Their Offerings

EzyStrut is one of Australia's most prominent cable tray manufacturers, offering a wide range of products including ladder trays, solid-bottom trays, and wire mesh trays. Their solutions are designed for industrial, commercial, and mining applications, emphasizing durability, versatility, and compliance with Australian standards (AS/NZS3013:2005). Burndy Cable Support Systems (CSS) specializes in high-quality wire mesh cable trays and other cable support systems. Their products meet NEMA requirements and are suitable for diverse industrial and commercial applications. Axelent provides the X-Tray system, which integrates cable management with machine guarding solutions. Their focus is on safety and efficient cable routing in industrial and warehouse environments. Brilltech and Ozstrut are also recognized for producing durable cable trays suitable for harsh conditions, offering solutions for both commercial and industrial projects. Legrand Australia offers a broad range of electrical installation products, including cable trays, with a focus on innovative and sustainable solutions for various environments. RS Australia supplies cable trays from their RS PRO range and other top brands like Schneider Electric and Legrand. They provide stainless steel, aluminium, and galvanised steel trays, catering to both small-scale and large-scale projects. Cableaway is an Australian manufacturer providing innovative power and data management solutions, including durable cable tray systems for residential and commercial applications.
