

Turkmenistan s electrical distribution box manufacturers

Summary of Content

Key manufacturers and suppliers of electrical distribution boxes in Turkmenistan include Kuwwat Toplum, Yashyl Dunya, and international exporters like EKT Enerji.

Local Manufacturers and Suppliers

Kuwwat Toplum is a prominent Turkmen manufacturer of electrical equipment, offering a wide range of products including cables, transformers, lighting, and electrical panels for industrial, residential, and governmental projects. They provide design, installation, and maintenance services, and have experience supplying major clients such as the Ministry of Defence, State Border Service, and various construction companies across Turkmenistan . Yashyl Dunya, established in 2012, specializes in industrial equipment and electrical solutions for sectors like energy, oil and gas, municipal, and cement industries. They act as a distributor for international brands, ensuring high-quality, innovative, and efficient equipment with manufacturer guarantees and flexible delivery options throughout Turkmenistan .

International Exporters Serving Turkmenistan

EKT Enerji, headquartered in Ankara, Turkey, has over 30 years of experience in the energy sector and exports electrical power distribution systems to the Middle East, Near East, Africa, and the Caucasus. They supply industrial electrical panels and distribution boxes suitable for construction and industrial projects in Turkmenistan . Other Turkish suppliers, such as DEMTE (specializing in DIN rails and electrical panel components) and Turker Trafo (producing transformer accessories), also serve the Turkmen market, providing components for electrical distribution systems .
