

Wall-mounted cable tray bracket installation price

Summary of Content

Cable tray wall brackets typically cost between \$10 and \$50 per bracket, with installation costs varying based on material, load, and labor requirements.

Types of Cable Tray Brackets

Cable tray brackets are designed to support horizontal runs of cable trays and can be mounted on walls or ceilings. Common types include:

- Wall-mounted brackets: Fixed to walls via flanges, suitable for confined spaces and lighter loads .
- Ceiling suspension brackets: Ideal for larger areas or heavy cable loads, often used in industrial settings .
- Electro-zinc (EZ) coated brackets: Provide corrosion resistance for internal installations .
- Galvanized steel brackets: Offer durability and fire resistance, compliant with CE, DIN 4102-12, ISO 14001, and ISO 45001 standards .

Installation Considerations

- Spacing: Standard spacing is 4-5 feet apart, but closer spacing is recommended for heavier loads or longer spans .
- Tools required: Drill, measuring tape, level, wrench, and sometimes saws for custom fitting .
