

Waterproof wall-mounted electrical distribution box

Overview

(1) Waterproof distribution box engineered for harsh outdoor and industrial environments, providing IP65-IP68 sealing against dust, rain, and UV. (3). IP65 Waterproof: Our 2 din rail distribution protection box and 2 way breaker box shell are made of ABS materials. Our steel din rail box and din rail power distribution box are IP65 engineering grade waterproof, effectively blocking splashing water, rain, dust, snow, oil, UV rays and more Daily. Our products boast customizable materials and dimensions, ensuring a tailored experience. With a range of materials to choose from and the ability to adjust sizes to your liking, our offerings are designed to meet your unique needs and preferences. Built with durable materials, CE & ROHS certified. Contact us for custom solutions!Stainless steel cabinet: the electric box made of high-quality 201 stainless steel with polished surface provides protection against rust and rain corrosion. The precise flat and smooth cut prevents scratches on the cables. Thanks to the use of black and white gland nuts, incoming and outgoing.
