

# Western European Fiber Optic Cold Joint Manufacturer

## Summary of Content

FIBERTEC and Fiber Products are leading Western European manufacturers of fiber optic cold joints and related components, offering high-quality, customizable solutions made in Europe.

### Key Manufacturers

FIBERTEC (Germany) FIBERTEC specializes in fiber optic assemblies, cold light cables, and components for industrial and medical applications. They have over 28 years of experience in producing high-quality fiber optic solutions, including cold joint and cold light cable assemblies, with full compliance to DIN ISO 9001:2015 standards. Their products are designed for both single-item and series production, offering customized solutions for complex industrial and medical sensor applications, ensuring short delivery times and high reliability . Fiber Products (Europe-wide) Fiber Products manufactures modular fiber optic interconnect components, including splice enclosures, DIN rail boxes, and connectors. Their solutions are made in Europe and come with a 5-year warranty, emphasizing long-term reliability for mission-critical networks. They provide customized fiber optic solutions for dense cabling environments, supporting up to 96 fibers per rack unit, and are suitable for industrial and telecommunications applications .

### Additional Notable European Manufacturers

- WEINERT Industries AG (Germany): Offers specialized optical fibers, fiber bundles, and assemblies with full vertical integration for customization .
