

Where is Huijue Galvanized Cable Tray Factory located

Summary of Content

Huijue Galvanized Cable Tray Factory is located in Jiangsu Province, China, with the company headquarters in Shanghai.

Huijue Group's headquarters is situated in the Shanghai Free Trade Zone, Lingang New Area, which houses the research and development center and administrative offices . The company also operates production bases in Jiangsu Haian and Shanghai Fengpu, covering a total area of approximately 100,000 square meters . The Jiangsu Haian facility is primarily responsible for mass production, including metal products such as galvanized cable trays, assembly of cabinets, and other telecom and electrical equipment . The factory is part of a network of six wholly owned subsidiaries and features multiple integrated production lines, supported by a senior technical team and an efficient supply chain system, ensuring high production capacity and quality standards . Huijue products, including galvanized cable trays, are distributed nationwide in China and exported internationally, reflecting the factory's significant manufacturing capabilities . In summary, if you are looking for the main manufacturing site for Huijue Galvanized Cable Trays, it is located in Jiangsu Province, while the corporate headquarters and R&D center are in Shanghai Free Trade Zone, Lingang New Area.
