

Which companies manufacture cable trays in Austria

Summary of Content

Niedax Kabelverlege-Systeme GmbH and eldax Systems are leading Austrian companies offering customized cable tray solutions.

Key Companies

1. Niedax Kabelverlege-Systeme GmbH Niedax is a well-established provider of steel, GRP, plastic, and stainless steel cable support systems for ceiling, wall, and floor installations in Austria . They specialize in customized solutions for industrial projects, tunnels, power plants, and refineries. Services include project planning, technical advice, delivery, and professional installation, with compliance to North American UL and CSA standards. They also offer tailored solutions for complex cable routing and management, making them a top choice for large-scale projects . 2. eldax Systems Eldax provides cable support and laying systems for industrial installations, emphasizing customization and safety . They offer UL-certified systems and flexible solutions for both indoor and outdoor applications. Eldax is recognized for innovative designs and prompt execution, catering to industrial and commercial clients across Austria . 3. GEOplast GEOplast develops high-quality, customized cable tray products in collaboration with clients . Their focus is on tailored solutions for specific applications, ensuring that cable management systems meet unique project requirements. 4. Tieber Tieber is valued for flexible and prompt execution of cable tray installations, providing customized services for industrial and commercial projects . They focus on client-specific needs and ensure reliable delivery and installation.
