

Which company specializes in stainless steel cable trays

Summary of Content

Schiavetti Tekno (Spina Group), Atkore International, and Legrand are leading companies specializing in stainless steel cable trays.

Leading Manufacturers

Schiavetti Tekno (Spina Group, Italy) is a prominent manufacturer of stainless steel cable trays, offering ladder, perforated, closed, and wire-mesh types. Their products are designed for industrial, energy, and infrastructure applications, ensuring strength, corrosion resistance, and compliance with European (EN) and international standards. They also provide custom sizes and compatibility with Unistrut systems, along with technical support and after-sales assistance .

Atkore International manufactures a wide range of cable management systems, including customized stainless steel cable trays. They serve global markets such as the USA, Germany, and China, providing industrial-grade solutions with extended warranties and tailored designs for construction and renovation projects .

Legrand (France), through its Cablofil brand, specializes in wire mesh and stainless steel cable trays. They focus on durable, heavy-duty solutions for electrical and digital building infrastructures, offering OEM manufacturing and 3D modeling support for customized installations .

Additional Notable Suppliers

- Icotek (Germany): Known for innovative cable management systems and EMC solutions, serving over 60 countries .
