

Which provider offers network server racks in Paraguay

Summary of Content

Several companies in Paraguay offer network server racks, including SoftMarket, Servers.com.py, MSPTech, Electropar S.A., and Guiatic.

Key Providers

1. SoftMarket SoftMarket provides a variety of racks for microservers and full servers, offering solutions to organize, protect, and optimize IT infrastructure . Their racks are versatile and suitable for both small and large-scale network setups. 2. Servers.com.py This provider offers professional-grade network racks, including 160cm high racks ideal for servers, networking equipment, and telecommunications devices. Their products come new and in original packaging, emphasizing solid construction and professional use . 3. MSPTech by Master Soft Paraguay MSPTech supplies server racks with national and international quality standards. They collaborate with major companies like Microsoft, Intel, and Asus, ensuring high-quality products. They also provide free evaluation quotes and technical support for installation and maintenance . 4. Electropar S.A. Electropar offers a wide range of racks, including wall-mounted racks (6U, 9U, 12U) and floor racks (32U, 37U, 42U) with features like ventilators, cable organizers, and perforated doors for optimal airflow. Their racks are designed for both servers and network equipment . 5. Guiatic Guiatic provides a platform to compare and select racks and cabinets for servers, networks, and telecommunications. They offer both floor and wall-mounted solutions, helping businesses evaluate options based on capacity, design, and certifications. Guiatic also connects users with the appropriate suppliers for their projects .
