

Wholesale of complete distribution boxes

1075KWHH ESS

Summary of Content

Wholesale distribution boxes are available in a variety of materials, sizes, and constructions, including corrugated, pallet, and lidded tote boxes, suitable for warehouses and retail distribution.

Types of Wholesale Distribution Boxes

Corrugated Boxes: These are widely used in distribution warehouses and come in single wall, double wall, and triple wall constructions for different strength requirements. They are available in standard sizes like 6x6x6 and 8x6x4, as well as custom dimensions. Options include biodegradable materials and colors such as brown, white, and black. Many suppliers also offer printed boxes for branding purposes, with minimum order quantities typically starting at 500 boxes per order .

Pallet and Tote Boxes: For bulk storage and transport, pallet boxes and lidded tote boxes are available in recycled plastic, metal, or heavy-duty materials. These are ideal for warehouse and retail environments, providing durability and stackability for efficient storage .

Cardboard and Postal Boxes: Suppliers like UKPackaging and Transpack offer single and double wall cardboard boxes, postal boxes, and storage boxes in bulk. These are suitable for shipping, storage, and e-commerce applications, often supplied flat-packed for convenience and available in packs of 10-20 .

Key Features to Consider

- **Material and Strength:** Choose single, double, or triple wall corrugated boxes depending on the weight and fragility of your products .
- **Custom Sizes:** Many suppliers can manufacture boxes to your specifications for optimal storage and shipping efficiency.
